JANUARY 2012

BREAKING NEWS!

The Children's Clinic was recently notified that it has been awarded a grant from the Flow Healthcare Foundation in the amount of **\$20,000!**

PATRONS' FUND DRIVE CONTINUES

The Patrons' Fund Committee Chairperson, Fred Funk, recently reported that so far there has been **\$10,678** pledged towards this year's goal of \$12,000, with 37 members participating. Your pledges can be billed to your member statements monthly, quarterly, semi-annually or annually beginning January 2012.

The Committee would also like for 100% of the membership to participate, as this is very important when the clinic is applying for grants. Please consider making a pledge to the patron's fund, no matter how large or how small.

KIWANIS EDUCATION: The first Kiwanis Club in what is now the Texas-Oklahoma District, was officially completed February 10, 1917, at Dallas, Texas, with a membership of 200. The charter was presented on March 28, 1918. Records indicate Dr. J. L. Holloway was the first President, with H. L. Kelley as Secretary.

The second club in the District was officially completed on April 25, 1918, at Oklahoma City, Oklahoma (00087), with charter membership of 200. The charter was presented by Orville Thorpe, of Dallas. First President was Edward Howell; first Secretary was Howard T. Deupree.

Due to the increasing number of clubs across the country, and realizing the value of District organization be set up. In October 1918, the Dallas Club selected one of its members to service as interim Governor of the Texas-Oklahoma District until an organization conference would be arranged. The first meeting was in Tulsa, Oklahoma, and on February 10, 1919, the Texas-Oklahoma District was organized. Joe Garrety, Kiwanis Club of Dallas, Texas, who was selected for the interim organization, was elected Governor.

KIWANIS PRAYER: Dear God, thank You for the rich blessings which you have showered upon us. Help each of us through the next seconds, minutes, hours, days, weeks, months and years of our lives. Bless all present and extend Your blessings to those unable to be here. We ask for Your guidance as we proceed into another year with these special people called Kiwanians. *Amen.*

Think about it...

1. A day without sunshine is like ... night.
2. On the other hand, you have different fingers.
3. He who laughs last thinks slowest.
4. Depression is merely anger without enthusiasm.
5. The early bird may get the worm, but the second mouse gets the cheese.
6. Change is inevitable, except from vending machines.
7. What happens if you get scared half to death, twice?

“After” Pictures: We are moved in at 1001 N. Elm St!

Well, we are *just* moved in...we're operational, but we're a long way from unpacked. Still, you're invited to come and see our new office home and admire the remodeling work done by Salty Rishel, Phil Rhodes, David Piccolo, Dwight Shafer, and others to help make our dream of having our own space a reality. We also send a huge shout-out to Hunter and Trey Sargent for helping pack, and to Todd Duryea and his crew for moving it all! Also, Frenchy sent a crew to mow and tidy-up the landscaping. (For this, Todd and Frenchy earn free advertisements in this *august* publication:)
